

Two Bays Walking Trail repair works underway

Trail closed from Dromana Foreshore to Seawinds Gardens from May 2025 to September 2025

Apologies for the inconvenience but due to safety reasons the Two Bays Walking Trail is currently closed from Latrobe Parade carpark through to Seawinds Gardens while we undertake trail repair and upgrade works. This heavily eroded section requires trail resurfacing, construction of stone tread steps and drainage rectification works.

Please refer to the below map for trail closures and walking alternatives. The Two Bays Walking Trail will remain open from Seawinds Gardens through to Cape Schanck.

Temporary walking trail from Seawinds Gardens (Arthurs Seat) to Cape Schanck
Please follow detours and closure signs
